IN SEARCH OF ARTIST TO REDESIGN MANHOLE COVERS

The City of Miami Beach's Art in Public Places Committee is seeking an artist to create an original work of art for the City's manhole covers to further promote Miami Beach as a world-renowned cultural destination. The artwork, which will be selected by the Miami Beach City Commission, will be used when replacing manhole covers.

Interested artists should submit a proposal of an original design for the center of the manhole covers and include an iconic image of what the artist believes defines the City of Miami Beach. The project is open to any artist who is a resident of Miami-Dade County. Only one design per artist is allowed. No color will be used and the design must be able to be converted to solid cast mold.

The deadline to submit proposals is Wednesday, July 5, 2006, at 5:00 p.m. For additional information and technical requirements regarding this project, please visit miamibeachfl.gov/newcity/depts/arce/appccall.asp.
